PARKADE SCHEDULE UPDATE-JULY 3, 2019

The Parkade Restoration work is going very well, and we are pleased with the Contractor and You for your work and cooperation. Soon we will be moving to Phase 4 and you should see the changeover of phases begin July 5th. The Parkade Doors should be back to normal operations during this phase, but please remain diligent on “slow and safe” driving practices.

PHASE 4 - Scheduled for July 8-23

PARKING STALLS - 56-81, 176-188

PHASE 5 - Scheduled for July 24-Aug 8

PARKING STALLS - 82-107, 189-201

* *If your parking stall is not listed in the above phases, it is not part of this project & will not need to be moved.*

We continue to appreciate everyone's cooperation.

Security Notice:

I also want to take a quick opportunity to advise that we have again seen a rash of break and enters and motorbike thefts from the parkade – It is strongly suggested that you lock away or remove valuables from your vehicles each day – this includes your parkade fob. We are asking everyone to take a quick inventory of their fobs and report any missing and unaccounted for fobs to our Office ASAP.

Wanda Hogg

General Manager,

On behalf of the Board of Directors
