

## **OWNER ACTION REQUEST !**

### **Horizontal Drain Cleaning in the Residential Underground Parkade from September 24 to September 28, 2018**

The Corporation is going to have Caon perform a main horizontal drain cleaning in the under ground residential parkade, as part of our preventative maintenance program.

As Such, we will need residents to remove their vehicles/motorcycles from their parking stalls on the below listed dates, from 9:00am to 6:00pm on the date your stall is scheduled

Visitor Parking will be open to accommodate this request.

**NOTE:** A tow truck will be on stand by each day, to move vehicles that fail to action the above request; costs of which will be charged back to each applicable unit!
